Friends and Colleagues, Including  
Board, Employees, Parents, and Community  
Doss Consolidated Common School District

Dear Friends and Colleagues:

***Truth is we all have stories, you've got to fail on your way to glory***

As we open a new school year, the pleasures of summer are soon to be replaced with lessons and learning. As an employee, parent, or community friend, be encouraged to support children and schools. Children learn what they live and live what they learn, so it is important for each of us to share our story with children and others. Working together, we can and will make a difference in the life and future of children.

***Overwhelmed by attention, everybody expecting perfection***

The world is rapidly changing and so is the face of education. With the closing of the 86<sup>th</sup> Legislative Session and the passage of House Bill 3, Senate Bill 11, and many more, sweeping changes have been made in four major areas: students and learning, teachers and excellence, funding and equity, and reformed property taxes. With hope and enthusiasm all schools including Doss School will implement new educational programs and services.

***Takes time trying to get it right, but every future has a past***

With thanks to past and present Board members, the future is bright for Doss School. We continue to upgrade the facilities, this year focusing on health and safety with remodeled bathrooms and security cameras. New instructional resources for all areas of learning are also in place. The instructional team includes former employees and two new teachers. With excitement we also look forward to welcoming close to thirty students.

***There's no perfect life, you can't hold back time***

Children are our future and we are responsible for their learning! Doss CCSD is thrilled that an increased number of parents have chosen to share their children with Doss School. With the hope for a great year working together, we invite you to "meet and greet" our staff and students on Wednesday, August 21<sup>st</sup> from 6:00 – 7:00 p.m. in Doss School. Offering myself to Doss CCSD and to you as a resource, please accept my gratitude!

**But you hold on tight, hoping you might find  
Every page you turn is a lesson learned**

Sincerely,

Pam Seipp, Administrative Consultant
