Allegations of Bullying

for Doss Consolidated Common School District

The district prohibits bullying on school property, at school-sponsored or school-related activities, or in any vehicle operated by the district.

Bullying may be verbal or written expression, expression through electronic means, or physical conduct. Bullying is not tolerated by the district and any student or parent of a student who believes that the student or another student has experienced bullying or that a student has engaged in bullying is encouraged to immediately report the incident. Retaliation against anyone involved in the complaint process is a violation of district policy and is prohibited.

Students or parents may report an alleged incident of bullying, orally or in writing, to a teacher, counselor, principal or other district employee. Students or parents may contact the district to obtain an incident report form that may be used to submit the complaint. The central office will be able to provide information and forms, or they may be found on the district website.

Please note that after submission of the complaint to the district employee, the district may assign the complaint to a campus administrator to follow up on the submitted complaint and any other important matters pertaining to the complaint. We encourage you to communicate with a teacher or the administrator during this time.

More information about the district's bullying policy may be found at:
