

Doss School students, employees, and Board

THANK YOU

parents, relatives, community, Santa and Mrs. Claus
for support of the Doss School presentation of
The Greatest Snowman.

A very special thank you is extended to

Friends of Doss School (FODS) for hosting the dinner, and
to **John and Julie Herrera** for preparing and serving dinner.

Please remember, *it's what's inside that matters,*
and we all can do our part to make the world a better place.

Relax and enjoy the holiday break;
Students return to school January 7, 2020!
