

## Most People Are Good

I believe kids oughta stay kids as long as they can  
Turn off the screen, go climb a tree, get dirt on their hands  
I believe we gotta forgive and make amends  
Cause nobody gets a second chance to make new old friends  
I believe in working hard for what you've got  
Even if it don't add up to a heck of a lot

*I believe most people are good  
And most Mama's oughta qualify for sainthood  
I believe most Friday nights look better underneath neon stadium lights  
I believe you love who you love  
It's nothing you should ever be ashamed of  
I believe this world's not half as bad as it looks  
I believe most people are good*

I believe streets of gold are worth the work  
But I still wanna go even if they were paved in dirt  
I believe that youth is spent well on the young  
Cause wisdom in your teens would be a lot less fun  
I believe if you just go by the nightly news  
Your faith in all mankind would be the first thing you lose

*Full Chorus: I believe most people are good*

I believe that days go slow and years go fast  
And every breath's a gift, the first one to the last

*I believe most people are good  
And most Mama's oughta qualify for sainthood  
I believe most Friday nights look better underneath neon stadium lights  
I believe you love who you love  
It's nothing you should ever be ashamed of  
I believe this world's not half as bad as it looks  
I believe most people are good*

I believe most people are good  
I believe most people are good
