September 12, 2019

Dear Parents of Transfer Students and Members of the DCCSD Community:

Thank you for sharing your child(ren) with Doss CCSD. We are excited about the year and the opportunity to serve children in our supportive community.

As you are aware, the transportation of students across the school district boundary has been a topic of conversation the past few weeks among administrators of DCCSD and our neighboring district. This letter is to advise you concerning the status of those discussions.

Although multiple efforts have been made to make an arrangement to transport transfer students from Fredericksburg to Doss, the Fredericksburg district would not agree. Also, we have not had a response to our appeal to the Commissioner of Education regarding a waiver, so we are not optimistic a waiver will be granted. As a result, families of all transfer students must continue to transport students to the Doss school district boundary.

We know this news may be disappointing, and we are very sorry to have to share this with you. On the other hand, we hope you will visit with each other to find ways to carpool to the boundary. We ask for your patience and support as we work to make this a positive and productive school year.

The boundary turnaround was designed by the Texas Department of Public Safety (TX Dot). We recently requested a review and have just learned that it continues to meet specifications. Regardless, we will continue to make efforts to improve safety and invite your assistance.

Again, thank you for sharing your child(ren) with Doss CCSD. Should you have questions about this or any matter, please do not hesitate to call me at 830-669-2411.

Sincerely,

Pam Seipp, Administrative Consultant
